

**FHA Publishes Updates to
*Single Family Housing Policy Handbook 4000.1***

Today, the Federal Housing Administration (FHA) published updates to its [*Single Family Housing Policy Handbook 4000.1*](#) (Handbook 4000.1). This update includes the incorporation of previously published Mortgagee Letters (MLs) and various technical edits, including hyperlink updates.

[Handbook 4000.1](#) is the comprehensive, authoritative source for FHA Single Family Housing policy guidance. It is updated regularly to ensure it remains the complete, single source document for its latest policies, programs, and processes.

Stakeholders are encouraged to review and familiarize themselves with the revisions in [Handbook 4000.1](#). See the [Handbook 4000.1 Transmittal](#) for a summary of revisions, changes, effective dates, and other pertinent information. For comparison purposes, a separate redlined version has also been posted on the [Handbook 4000.1 Information webpage](#).

If you have questions about this update, contact the FHA Resource Center (referenced below) for more information.
